SUMMARY

Graphic and brand designer with 3+ years of agency and freelance experience across brand identity, marketing collateral, social media content, packaging and print, and a recent Master's in Interaction Design from Monash University. I take projects from concept to production-ready artwork across print and digital, working within brand guidelines for clients in film, fintech, F&B, fashion and lifestyle.

EXPERIENCE

Graphic Design and Marketing Intern

Mind Blowing Films · Melbourne · 11/2026 to Present

- Design YouTube thumbnails for the Indian Film Festival of Melbourne (IFFM), which showcased 130+ films in 30+ languages in 2026
- Create social media posts, stories and digital ads for film releases and festival events, keeping each title's key art consistent across formats
- Adapt posters and key art into sizes for print, web and screens
- Edit short-form video in Premiere Pro, including release clips for upcoming films
- Produce event collateral and print-ready files for festival screenings and red-carpet events
- Deliver fast turnarounds with the marketing team around release dates and festival deadlines
